

Confederation of Indian Industry

CII M&E GLOBAL INVESTOR MEET

Connecting Capital with Creativity

12TH EDITION

As part of the CII Big Picture Summit, the Confederation of Indian Industry presents a one-of-a-kind, CII-authored, industry-led investor platform for India's media and entertainment sector.

Unlike a generic networking event, this forum has been carefully collated, reviewed, and filtered by CII. It connects global investors with pre-selected media & entertainment ventures chosen for their potential across Digital Media, Broadcasting, Print, Social video gaming and esports, Filmed entertainment, Animation & VFX, Theme Parks, Live Events, Music and audio.

CONNECT WITH TOP INDUSTRY LEADERS & INNOVATORS

DECEMBER 1 & 2 | 2025
MUMBAI | INDIA

Join us for an exclusive investment opportunity

Investor-Investee Connect

This is where global capital meets India's most promising media and entertainment ventures. The format is simple and effective: curated one-on-one meetings with pre-vetted companies across films, streaming, animation, gaming, immersive experiences, and AI.

FOR INVESTORS

Invest in India-specific opportunities across Digital Media, Broadcasting, Print, Social video gaming and esports, Filmed entertainment, Animation & VFX, Theme Parks, Live Events, Music and audio

Meet the right decision-makers — promoters, founders, C-suite leaders, and senior government officials driving the industry forward.

FOR COMPANIES

Gain direct access to funding sources through private, curated meetings designed to speed up growth and expand global reach.

ADVANTAGE INDIA

Over 2,000 films produced every year — the largest in the world +

500M+ gamers, making India the fastest-growing gaming market by 2026 +

1.4B+ domestic and global audience reach +

A \$100B industry opportunity by 2030 +

30–40% lower production costs compared with global benchmarks +

World-class talent with advanced post-production skills +

AI integration boosting revenues by 10% and cutting costs by 15% +

Government incentives of up to \$3.6M in production expenditure for filming, animation, VFX, and post-production +

100% FDI in filmed entertainment +

INVESTOR VALUE PROPOSITION

Access a curated deal pipeline across films, streaming, theme parks, social video gaming and esports, virtual production, and AI-driven ventures

See sector-specific opportunities from top media houses, fast-growing tech innovators, and state-backed infrastructure projects.

Hold one-on-one meetings shortlisted from over 100+ companies seeking funding.

Explore co-investment structures under India's 17 co-production treaties.

Talk directly to promoters who are already generating revenue and now ready to scale.

Spot ventures that are exit-ready, with commercialization strategies in place.
